## Description

The parties will take place at "Jugendkulturhaus Dynamo" ("EasterHop" in the below Map) in Zürich. The place is a multi-cultural center for young people, where we do rent several rooms for the classes as well as the parties.

**How To Hop There**

- From the airport From the airport, you should take a train to the Main Railway Station of Zurich. Trains leave about every 15 minutes and it takes you roughly 20 minutes to get into town.
- From the main station From the Main Station, it is only about a 10 minutes walk to "Dynamo". Go to the exit "Landesmuseum" (a very old castle-like museum) and walk along the river "Limmat" as shown in the above map. Try to look out for Hotel Mariott, which is right beneath our place!
- By car Coming from north, you can drive into town through the "Milchbuck Tunnel". Just follow "City" and you will see "Hotel Mariott" 500 m after the tunnelexit. Try to park in the back streets of the hotel. You might wanna try to park in the parking "Sihlquai", which is located opposite, on the other side of the river!
