## Description

**WaterFront gives pop music space!**

WaterFront Rotterdam is a venue for national and international bands, dance acts and dancenights. Live and quality are key in the programming: not always the best-known bands, DJs and dance acts, but the most exciting. Besides leading or groundbreaking national and international acts offers WaterFront burgeoning new talent a stage and thereby trying new trends and development. Thus we come to a lively, exciting and continuously developing band and dance done with a clearly recognizable face.

**Facilities**

WaterFront has one large and one small podiumzaal. The great room has a capacity of approximately 600 people and the small room of about 200 persons. In addition, they have 13 oefenruimtes, a professional recording studio and a production company. Also, the Popafdeling of Codarts, part of the Rotterdam School of the Arts located in the WaterFront complex.
